April 17, 2023

The American Legion Department of Arkansas will be holding its 103rd State Convention June 16-18 at the Wyndham Riverfront Hotel in North Little Rock. As usual, the activities committee has been busy planning for a great evening of entertainment and relaxation for those of you who plan on attending.

The highlight of our activities is the Red — White — Blue Party which is held from 6:30 pm to 10:00 pm on Friday night in the Silver City 2 and 3 rooms of the hotel. We will raffle off a Vizio large screen television set, an Cufy G43 Pro Robo Vacuum and various other prizes to raise the money to pay for the party. Legion funds are not used to provide this evening of fun. The party will be open to Legionnaires, Auxiliary, SAL and Legion Rider members 18 years of age and up. We need your help to gather additional give away items. We are looking for Gift cards as prizes. We are asking you to mail a gift card to department headquarters based on the size of your post. If you can afford it, we ask you to donate a \$50.00 gift card, but as a minimum please send in a \$25.00 gift card. Several posts/individuals were very generous in 2022 and for them we are very thankful, God bless you for your kindness:

We are working hard to increase attendance at the convention which in turn increases participation at the post level. We need your support to make this work. As members of the activities committee, we want to thank you in advance for donating to this great cause and we look forward to seeing you at the convention and the party.

\$ 5 0 _____

\$ 2 5 _____

Please send your gift card to American Legion Department of Arkansas
PO Box 3280
