October Newsletter • 2025

Dear Trust Directors, Department Adjutants, and Valued Department Members,

October is decision time: Medicare Annual Enrollment Period (AEP) is officially here. From October 15 through December 7, Medicare eligible Legionnaires and their families have the chance to review, renew, or update their coverage. This is the most important enrollment window of the year. Make sure members don't miss it.

- Why it matters: Medicare choices can affect health, costs, and peace of mind for the year ahead
- Wellcare is The American Legion's official Medicare Advantage provider, offering plans designed with veterans in mind
- Encourage members to visit the Legionnaire Insurance Trust (LIT) resources or the eHealth portal to compare plans and benefits

October Spotlight: Medicare Annual Enrollment Period (AEP)

Medicare Annual Enrollment Period (AEP) is underway: October 15 through December 7. This is your chance to review coverage and make sure your plan still fits. Right now, Medicare AEP is the top priority. But remind members that coverage goes beyond Medicare - next month we will share how a new **LIT Dental Vision Hearing insurance program** can help Legionnaires protect their smile, sight, and hearing.

This message is brought to you by the Legionnaire Insurance Trust.
