Department Convention always begins Friday morning with a joint session of The Auxiliary/SAL/ALR at 10:00 am. The conventions are preceded by a Department Executive Committee meeting which begins Friday morning at 9:00 am and is not open to the public. Department elections are always held at convention on Sunday mornings followed by a swearing in ceremony of newly elected officers and presentation of the new Madam President of The American Legion Department of Arkansas Auxiliary.

In the past we have had scheduling conflicts with the VFW conventions. Hopefully, this schedule will not have any conflicts with the VFW which holds its convention on the 2nd weekend of June.
